

General Information:

1. Degree Policies and Procedures are in the Catalog online at www.CCAurora.edu.
2. If you plan on transferring to another institution, contact an advisor before registering.
3. You must apply for graduation mid-semester prior to your final term. See Semester of Classes for the exact deadline date.

This certificate prepares the student as an entry-level web developer. Graduates can analyze, design, implement & support web applications. This program is intended to provide the student with a broad exposure to web development.
