

EMERGENCY MEDICAL TECHNICIAN CERTIFICATE, 2009-10 (Basic & Paramedic)

General Information:

1. Degree Policies and Procedures are in the Catalog online at www.CCAurora.edu.
2. If you plan on transferring to another institution, contact an advisor before registering.
3. You must apply for graduation by mid-semester prior to your final term. See Schedule of Classes for the exact deadline date.
4. Enrollment in EMT-Paramedic level courses require Colorado EMT-B Certification, IV, EKG & CPR Certification. Contact EMS Dept. for information at 303-340-7070 or cindy.smith@ccaaurora.edu.

Program Info:

The Emergency Medical Provider (EMP) Program is designed for students seeking careers in emergency medicine. This program provides students with the knowledge and skills required to function within the Emergency Medical Services System. Unlike other EMS programs, there are no work related prerequisites to enter advanced level courses. Courses progress from EMT-Basic to EMT-Paramedic. All programs meet or exceed the Colorado Department of Public Health and Environment requirements for certification eligibility.

CCA's program is nationally recognized and truly unique. Don't just take our word for it, set up a tour by calling 303-340-7212. There are full-time and part-time academies available. Please visit our website for complete career, program and class schedule as well as other important info at www.ccaurora.edu/ems.
