## SCHEDULING SUGGESTIONS

1. Register for your assessment or ACT placement recommended classes the first semester.
2. Take English classes early in your program. They'll help you with all of your other classes!
3. See your advisor about balancing your workload with credit load.
4. If you want to graduate in two years, take a minimum of fifteen college-level credits per semester.
5. Transfer and financial aid students should consult an advisor before registering.
6. This degree is based on written agreements. It is designed as a technical, pre-professional transfer degree with a major field specified for students to transfer into a baccalaureate degree program with junior standing.
