IMPORTANT TRANSFER INFORMATION

After starting your path of higher education at any public college or university in Colorado, and upon acceptance to another, you can transfer up to 35-37 credits of previously and successfully (C- or better) completed guaranteed transfer coursework. These courses will automatically transfer with you and continue to count toward your general education core for any liberal arts or science associate or bachelor's degree program.

In addition, degree electives may transfer as well, depending on the institution of transfer and your intended major. It is important that you consult an advisor and the transfer institution when choosing degree electives, as certain majors have particular degree prerequisites that need to be taken within associate degree requirements. A listing of applicable majors is available at www.state.co.us/cche/stuinf.html.

Academic Standards of Progress

CCA defines satisfactory academic progress as maintaining a 2.0 cumulative grade point average (GPA) or higher. In order to remain in good standing at CCA, students must maintain at least a 2.0 cumulative GPA. Students who have less than a 2.0 cumulative GPA will be placed on probation or suspension status. For more information, consult the catalog at www.ccaurora.edu or talk to an advisor.

ASSESSMENT REQUIREMENTS

Basic Skills courses may be required based on assessment scores. It is the student's responsibility to take these course requirements within the first 30 credits at CCA. Basic Skills courses are also available at other area community colleges. Each course is 3 credits except where indicated.

SCHEDULING SUGGESTIONS

1. Register for your assessment or ACT placement recommended classes the first semester.
2. Take English classes early in your program. They'll help you with all of your other classes!
3. See your advisor about balancing your workload with credit load.
4. If you want to graduate in two years, take a minimum of fifteen college-level credits per semester.
5. Transfer and financial aid students should consult an advisor before registering.

ONLINE AND HYBRID CLASSES

Many of the classes in this degree can be taken as **online** or **hybrid** courses (an online course with optional in-classroom components). Symbols in the semester schedule indicate which classes are offered in these formats.

TWO-YEAR GUARANTEE

The colleges within the Colorado Community College System (CCCS) have adopted a set of guidelines to define the conditions under which a student can expect to graduate with an Associate of Arts or an Associate of Science degree in two calendar years. Contact the advising center for more information.

The colleges within CCCS guarantee that a student will be able to complete all course work necessary to earn an AA or an AS degree from a specific CCCS college in 60 credit hours and in 24 months.

Student must satisfy all the conditions described below to be eligible for this guarantee:

1. Enroll at the same community college for at least four consecutive semesters, excluding summer.
2. Register within one week of the beginning of registration for each semester.
3. Have completed all required remedial coursework before beginning the count of two years to degree completion.
4. Enroll in and pass (with a 'C' or better in each course) an average of 15 credit hours in coursework that applies to the AA/AS in each four consecutive semesters.
5. Obtain a recommended plan of study for the AA or AS degree plan of study, signed by the student and community college advisor, prior to registration for the second semester, and according to the requirements of the students' community college.
6. Follow the signed plan of student.
7. Continue with the same degree (AA or AS) from entrance to graduation.
8. Retain documentation demonstrating that all the above requirements were satisfied. (Advising records, transcripts, etc.)

I understand the degree requirements outlined above and my recommended plan of study.
