

## Prerequisite Information for AAS-Radiologic Technology at the Community College of Denver, 2005-06

The Radiologic Technology program prepares the student for an entry-level position as a radiographer in a variety of medical settings, including the hospital. The program consists of five semesters of course work that includes classroom, laboratory and clinical internship experience. Graduates earn an AAS degree and are eligible to apply for registration by the American Registry of Radiology Technologists (ARRT).

The program begins fall semester of each year. Information and requirements can be obtained from the Auraria Educational Planning and Advising Center or the Radiology Technology Program Coordinator at CCD Lowry, 303-365-8300. Students who are interested in articulating their career with a Bachelor of Science degree should contact the degree-awarding institution for information about transferable prerequisite course work.

Course Number	Course Info
ENG 121 English Composition I	This course requires a sentence skills assessment score of 95 or higher.
BIO 106 Basic Anatomy & Physiology – 4 cr. <b>OR</b> BIO 201 & 202 Anatomy & Physiology I & II – 4 cr. each	Must have been completed within past 5 years.
<b>Select one course</b> from the following: MAT 106 Survey of Algebra – 4 cr. MAT 107 Career Math – 3 cr. MAT 121 College Algebra – 4 cr. MAT 135 Intro to Statistics – 3 cr.	
<b>Select one course</b> from the following: PSY 101 General Psychology I – 3 cr. SOC 101 Intro to Sociology – 3 cr. PSY 235 Human Growth & Development – 3 cr.	Must have been completed within 5 years.
<b>Related Course</b> RTE 101 Intro to Radiology (at CCD)- 2 cr.	Limited Enrollment, must have Program Coordinator's approval.

### Program Admission Requirements

There are four steps for admission into the Radiology Technology program.

1. Apply to the Community College of Denver
2. Take the CCD Basic Skills Assessment Test (Accuplacer). Minimum scores are: Elementary Algebra (EA) – 60; Reading Comprehension (RC) – 80; Sentence Skills (SS) – 95. Only FIRST-TIME, DEGREE-SEEKING students must take the test. The Accuplacer is given at the Health Sciences Center at CCD Lowry. Please call 303-365-8300 for the testing schedule and to make an appointment for testing. The test may also be taken at the Auraria Campus Testing Center in South Classroom Building 223, 303-556-3810. Call or visit the Testing Center (South Classroom Building 223, phone: 303-556-3810, fax: 303-556-8027) for more information on exemptions for taking the Accuplacer.
3. To receive an application to the Radiology Technology Program, students must attend a program information and advising meeting held the third Tuesday (of every month when the college is in session). Advising sessions will not be given during the months of December, March and May. Sessions are held at 5 p.m. at the Health Sciences Center at Lowry. Bring a copy of the BSAT results or waiver, and any student transcripts of course work at CCD or other colleges attended.
4. Applications are due by December 30th for the following academic year.
5. Complete the following general education and related course requirements with a grade of C or better prior to starting the program. (Applicants are accepted for admission by the date of application and date all program prerequisite course work is completed. It is important to complete steps 1 and 2 as soon as possible to receive an early date on the program application and to begin a Radiologic Technology student file.)
