

Colorado Community Colleges Online

CCCOOnline is not a college! We are part of the Colorado Community College System of 13 two-year colleges in the state – including Community College of Aurora. If you already are a student at CCA, you can register for CCCOnline and your on-campus classes at the same time. CCCOnline classes have their own unique Section number – C11, C12, C21 or C22 – so you can easily tell them apart from your college's online courses or those you take on campus.

If you want to take online classes, are a new student and have not yet applied to one of the 13 Colorado community colleges, visit www.cconline.org and explore the programs and courses offered.

All students who take CCCOnline courses must select a Home College that offers the degree or certificate they want to pursue. Your Home College:

- Keeps your records
- Processes your college application
- Helps you transfer your credits
- Takes your tuition payment.
- Provides transcripts
- Provides career counseling
- Issues your degree or certificate

Following are the spring semester 2008 CCCOnline courses that CCA offers. If you don't see the course you want to take on this list, visit www.cconline.org or contact advising@ccconline.org.

*CCA Paralegal students should consult their advisors before taking Paralegal classes online.

Under an agreement between CCA, CCCOnline and the American Bar Association, degree- or certificate-seeking Paralegal students must take certain Paralegal classes on campus.
