

## Colorado Community Colleges Online

CCOnline is not a college! We are part of the Colorado Community College System of 13 two-year colleges in the state – including Community College of Aurora. If you already are a student at CCA, you can register for CCOnline and your on-campus classes at the same time. CCOnline classes have their own unique Section number – C11, C12, C21 or C22 – so you can easily tell them apart from your college's online courses or those you take on campus.

If you want to take online classes, are a new student and have not yet applied to one of the 13 Colorado community colleges, visit [www.cconline.org](http://www.cconline.org) and explore the programs and courses offered.

All students who take CCOnline courses must select a Home College that offers the degree or certificate they want to pursue. Your Home College:

- Keeps your records
- Processes your college application
- Helps you transfer your credits
- Takes your tuition payment.
- Provides transcripts
- Provides career counseling
- Issues your degree or certificate

Following are the spring semester 2008 CCOnline courses that CCA offers. If you don't see the course you want to take on this list, visit [www.cconline.org](http://www.cconline.org) or contact [advising@cconline.org](mailto:advising@cconline.org).

\*CCA Paralegal students should consult their advisors before taking Paralegal classes online.

Under an agreement between CCA, CCOnline and the American Bar Association, degree- or certificate-seeking Paralegal students must take certain Paralegal classes on campus.
