

College 101-The Student Experience

AAA 101-COLLEGE 101- The Student Experience

Prereq: Assessment Sentence skills and Reading skills 25 or above, or Act scores of SS 15 and RC 14

Is a one credit hour-hybrid (combination of classroom & on-line) class. It introduces students to college by providing interactive seminars designed to arm them with skills and knowledge to be successful in college. This course will provide an awareness of campus resources and procedures, set academic and career goals, introduce basic study skills, and balance lifestyle issues with academic commitments.
