Curriculum Mapping subcommittee:

Presented spreadsheet/tracking sheet demonstrating what curriculum map development looks like and the process of evaluation. Requested feedback by May 8th. Any questions, plus wording suggestions to make it more flexible with co-curricular groups/efforts/programming.

Communications:

Presented possible update to integrate 4Cs into the syllabus addendum. Also proposed idea to put out 4Cs branding stuff--stairway to success and flyer.

Subcommittee Working Groups: Review Outcomes & Performance Indicators

Groups to work with a collection of assessment plans from programs. To practice making suggestions/recommendations, evaluating, and providing feedback to programs, which is the primary function of the Assessment Committee in the assessment process

Ex: awareness and consideration of measurable verbs (bloom's taxonomy), identifying program outcomes, course outcomes, performance indicators, mapping to institutional outcomes (4Cs), how is it all measured/assessed.

Fall semester meeting dates & locations: Sept 4 (CTC), Oct 2 (LC), Nov 6 (CTC), Dec 4 (LC).
