All on-campus tutoring at CentreTech and Lowry is drop-in only, no appointment necessary. However, due to unforeseen circumstances, a tutor may be out for the day. Before you drop in, we suggest you check the ALC website to make sure the on-campus tutor is available: www.ccaurora.edu/alc

IMPORTANT GUIDELINES REGARDING LAB EXPERIMENTS: On-campus science tutors **cannot** assist with lab experiments, nor can students bring lab equipment into tutoring rooms due to safety concerns. If you need a place to run lab experiments, arrange that with your instructor or contact the Science Department for assistance.
